The following free Apps may be useful for all Year Groups but especially for 3rd and 6th years :

- Pocket Points :This App has all past JC and LC Exam Papers grouped by subjects as well as log tables and points calculator.
- mystudypal.app - myStudyPal eliminates the need for time-consuming and often inaccurate study schedules. It provides you with a personalised study timetable based on your upcoming tests and exams, ensuring you cover all the topics for each of your subjects well before the exam date.
- Due to the current Covid 19 crisis – iRevise.com are giving premium memberships to all students for one month - for free. This gives instant access to the following features and we are encouraging all 3rd and 6th years to avail of this offer to help them with their revision and preparation for exams. Use the Code STUDYCENTRE at checkout Online Tests Video Tutorials State Exam Papers Exam Paper Layouts Papers By Topic Quick Revision Notes Sample Answers Exam Creator General Subject Information

In support of students, teachers and parents during this challenging time, EDCO have made their books available online free of charge - this would be very helpful if any students didn't manage to get all their books home with them or if they want fresh copies that don't have exercises filled in to help with revision.

- To access the books simply log in to <http://edcolearning.ie> with the following username & password combinations to gain FREE access to their e-books & digital resources.
