

Re: Family Support during Covid-19 Isolation

Dear parents,

We hope that you're all keeping well and managing as best you can in these difficult circumstances. We wanted to make you aware that there are a number of family supports available in your local area and that you can make contact with them directly if you need help around parenting, managing this stressful situation or general family support. While many services have had to close their doors, they are still offering phone support and would be only too happy to help you in this difficult time. Please see details below of the services that you can contact.
