

ENTERPRISE EDUCATION (LCVP)

Enterprise Education commonly called LCVP, is an additional subject that students can take over the Leaving Certificate Cycle. It would be an 8th subject for many students

Benefits of selecting LCVP

- Knowledge of the world of work.
- Skills for job seeking.
- Undertaken work experience or participated in work simulation
- Be more innovative and enterprising.
- Be used to working in teams.
- Be familiar with setting up and running enterprising initiatives.
- Have experience of using computers and audio-visual equipment

AM I SUITED TO LCVP?

This is a practical subject/programme that suits practical students.

- It is a real preparation for the world of work.
- The bulk of marks (60%) go for the portfolio which is done over the 2-years in class so attendance is key!
- Promotes skills and qualities of self-reliance, innovation and enterprise
- Skills learned through LCVP such as planning, researching, writing reports and making presentations are keys to your success at third level.

PROGRAMME

CAREERS

Tourism & Hospitality

Media, Film & Publishing

Community & Voluntary

Advertising, Marketing & Public Relations

Clerical & Administration

Sales, Retail & Purchasing

Business Management & Human Resources

From engaging with the programme, LCVP students will be more employable. They will be in a better position to set up their own business or take up an active role in an existing business. In addition, they will have skills and aptitudes which will enable them to be more effective learners in the further education they receive.

+25 Bonus points for H1-H6 maths

LCVP link modules Distinction 66 Merit 46 Pass 28

LCVP is treated as a subject on the CAO but has its own point application. A pass is 28 points, a merit 46 points and a distinction 66. This means that a Merit in LCVP is equivalent to a O2 in an ordinary level subject and a H6 in a higher level subject. Also a distinction will allow you to score more points than an O1.

CAO Application
